

## **Cosmetic Surgery (Medical Tourism) in Columbia**

Who doesn't want to look ravishing and glamorous like the Hollywood uptown girls or handsome looking hunks? They are worshipped like demi-gods. A stardom surely calls for the red carpet walk, a limousine and millions of fans around!! Everyone dreams of similar adulations and fame!

This "look good factor" has valiantly given an impetus to the growth of cosmetic surgery industry in the US. Torn by the reasons of increasing layoffs, straining economic times, and a belief that hiring is based on looks, millions of American women are looking at cosmetic medical procedures to give them a competitive edge in the workplace. Men are also undergoing cosmetic surgery to make them look younger and attractive. Why only youngsters? Even the aging population in the US is conscious towards their looks, in order to face the hardcore realities of everyday life. No one wants to be an old hag!

Columbia, a country located in the northwestern region of South America is one of the most popular countries worldwide for plastic surgery and cosmetic surgery procedures. Many Colombian cosmetic surgeons have working experience in foreign countries such as the US and possess internationally recognized medical degrees. When traveling to Columbia, you will never feel the scarcity of experience, knowledge or expertise of doctors. You will however, get your plastic surgery done at a fraction of the cost charged in the US. And, what's more? Since Columbia is close to US, there are many airlines which connect Columbia with some of the major US cities. Hence, you can avail of daily flights, often at discounted rates, to fly to Columbia and get your cosmetic surgery done.

Innumerable foreigners flock to Columbia each year for plastic surgery. Cosmetic surgery has given upsurge to the tourism industry, thus making Columbia a hot "medical tourism" country. If you are thinking to get cosmetic surgery done, think of Columbia!
