

The Client

The Challenge

- To ensure top 10 ranking in Google.com.
- To increase traffic of the site.

Client Order

SEO package for 3 keywords.

SEOGuru Solutions

- Keyword research and competitive analysis.
- Development of search engine friendly meta tags.
- Development of article based on the photo printing industry of India.
- Optimization of images targeted for the search engines.
- Building up of 1 way links.

SEOGuru Campaign Results

- Within a week of starting the SEO campaign, one of the keywords got the #1 rank in Google.com whereas another keyword featured at #5 position. The client site was not present within the first 50 pages for that particular keyword before we started the SEO campaign.
- The remaining keyword also featured within the top 10 positions at Google.com within a month of starting the campaign.
